Los Angeles, CA 90012

Dear Supervisors:

APPROVE CONTRACT WITH THE CALIFORNIA DEPARTMENT OF EDUCATION (ALL DISTRICTS) (3-VOTES)

SUBJECT

Enter into a contract with the California Department of Education/Child Development Division (CDE/CDD) for the purpose of continuing the Investing in Early Educators Program. This program provides cash stipends to eligible participants who are working directly with young children in CDE/CDD funded child care development programs, and complete at least one three semester unit course in child development or leading to a degree. The program is funded at \$4.25 million.

IT IS JOINTLY RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair to sign the attached contract with the California Department of Education/Child Development Division (CDE/CDD) for the Child Care Salary Retention Incentive program for the period of July 1, 2009 through June 30, 2010. This contract continues funding for our local Investing in Early Educators Program in the amount of \$4,250,000. The Office of Child Care (OCC), within the Service Integration Branch of the Chief Executive Office (CEO) administers this contract on behalf of the Child Care Planning Committee (Planning Committee) and operates the Investing in Early Educators Program to retain an educated and qualified child care workforce in CDE/CDD-subsidized child development centers and in family child care homes and centers serving state subsidized children.
2. Adopt the attached resolution and delegate authority to the CEO or his designee to prepare and execute any and all documents, and contract amendments on behalf of the County as may be deemed necessary to implement this contract. Approval as to form by County Counsel will be obtained prior to executing any amendments.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

The Office of Child Care has administered the Child Care Salary Retention Incentive program contract with CDE/CDD funding since 2001-02. This program provides stipends to qualified persons working in CDE/CDD-funded child development centers for the purpose of boosting the retention and education of teachers. Beginning in 2006, as a result of legislation sponsored by Los Angeles County, the program was granted a waiver and allowed to include family child care providers in CDE/CDD-funded Family Child Care Home Education Networks and teachers in non-CDE/CDD-funded centers and family child care homes serving a majority of children whose care was subsidized. Fortunately, the clause which would have sunset the waiver provisions was eliminated per the 2009-10 Budget Trailer Bill.

Implementation of Strategic Plan Goals

The Investing in Early Educators Program supports the County's strategic goals related to children, family and adult well-being. The stipend component of this program is designed to address the quality of child care services by reducing teacher turnover in CDE/CDD-funded child development centers and other qualified programs, while also promoting the ongoing education of early educators.

FISCAL IMPACT/FINANCING

Approval of the attached contract will provide a total of \$4,250,000 for the continued operation of the Investing in Early Educators Program. Funding is included in the CEO Fiscal Year 2009-10 Adopted Budget. All costs associated with this contract are covered by funding from CDE/CDD.

It should be noted that CDE/CDD did not release contract documents until after the Governor and Legislature agreed upon a State budget. Direct service contracts were mailed first, and as a result, the attached documents were not received until mid-September.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Assembly Member Dion Aroner introduced AB 212 for the purpose of addressing the low salaries and high turnover rates in CDE/CDD-funded child development programs. The bill was signed into law in 2000 and funding to implement this legislation was included in the 2000-01 State Budget. The Investing in Early Educators Program was launched in Los Angeles County in Fiscal Year 2001-02. The contract before your Board will support the continued operation of the Investing in Early Educators Program through 2009-10.

In 2005, the County of Los Angeles sponsored legislation (AB1285) which granted a waiver to the Los Angeles County Investing in Early Educators Program and allowed the program to include: 1) teachers in non CDE/CDD-funded centers which serve a majority of state-subsidized children; and 2) family child care providers who are part of a CDE/CDD-funded network or who serve a majority of state-subsidized children. Per the 2010 Budget Trailer Bill, this waiver will continue throughout the life of the program.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

During FY 2008-09, 1,994 persons working directly with young children in Los Angeles County completed at least one three-semester college course and received a cash stipend. Stipend payments totaled \$3,556,820 and were paid to directly to persons working in child development programs in Los Angeles County.

As a result of the program waiver, 194 family child care providers participated in the program and earned stipends. In addition, 69 participants completed their Associate of Arts degrees, 93 completed Bachelor of Arts degrees, and 17 completed Master of Arts degrees. The Investing in Early Educators Program has spurred both interest in and support for continuing education among this County's diverse child care and development teaching staff. Research has documented the link between child care and development program quality and teacher education.

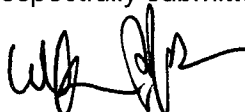

CONCLUSION

Three signed copies (original signatures are required) of the contract and a signed and dated resolution should be returned to:

Office of Child Care
SIB/Chief Executive Office,
222 South Hill Street, 5th Floor
Los Angeles, CA 90012

Copies will be forwarded to CDE, as required.

1. General Termination for Convenience

A contractor may terminate the contract for any reason during the contract term. The contractor shall notify the CDD of its intent to terminate the contract at least ninety (90) calendar days prior to the date the contractor intends to terminate the contract.

Within fifteen (15) days from the date the contractor notifies the CDD of its intent to terminate the contract, the contractor shall submit:

- a) a current inventory of equipment purchased in whole or in part with contract funds and
- b) the names, addresses and telephone numbers of all participants served by the contract and all staff members funded by the contract. Family child care home contractors shall also submit the names, addresses and telephone numbers of all providers of subsidized services funded by the contract.

Upon receipt of a notice of intent to terminate, the CDD will transfer the program to another agency as soon as practicable.

The State shall only be obligated to compensate the contractor for net reimbursable program costs in accordance with this contract through the date of termination. There shall be no other compensation to the contractor. The State shall offset any monies the contractor owes the State against any monies the State owes under this contract.

2. Changes in Laws or Regulations

The CDD shall notify contractors in writing of changes in laws or regulations prior to the effective date or as soon as possible after enactment. If any laws or regulations are changed substantially during the contract period, the contractor shall have the option to discontinue performance and be relieved of all obligations for further performance.

The contractor has thirty (30) calendar days from receipt of notification of pending changes to notify the CDD in writing of the contractor's intent to terminate if the required changes are unacceptable to the contractor. The contract shall be deemed terminated sixty (60) calendar days after receipt of the notification of the intent to terminate.

H. Applicability of Corporations Code

Except for partnerships and sole proprietorships, private contractors shall be subject to all applicable sections of the Corporations Code including standards of conduct and management of the organization.

2. All parties having a financial interest in the transaction should refrain from voting on the transaction and it should be so noted in the board minutes.

If the transaction involves the renting of property, either land or buildings, owned by affiliated organizations, officers or other key personnel of the contractor or their families, the board of directors shall request the interested party to obtain a "fair market rental estimate" from an independent appraiser, licensed by the California Office of Real Estate Appraisers. If the contractor has no board or is a sole proprietor, the requirement for a "fair market rental estimate" shall also apply. The contractor has the burden of supporting the reasonableness of rental costs. If the property is owned by the contractor, rental costs are not reimbursable and costs may be claimed only as depreciation or use allowance. Any transaction described in this paragraph shall be disclosed by the auditor in the notes to the financial statement in the annual audit.

Rental costs for equipment owned by affiliated organizations, officers or other key personnel of the contractor or their families are allowable only as use or depreciation allowance.

J. Equipment Inventory

No person in the State of California shall, on the basis of race, national origin, ethnic group identification, religion, age, sex, sexual orientation, gender, ancestry, color, or mental or physical disability, be unlawfully denied full and equal access to the benefits of, or be unlawfully subjected to discrimination under, any program or activity that is conducted, operated, or administered by the state or by any state agency, is funded directly by the state, or receives any financial assistance from the state.

R. Labor Code/Workers' Compensation (*Labor Code Section 3700*)

Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement.

S. Corporate Qualifications to do Business in California

1. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.
2. "Doing business" is defined in *Revenue and Tax Code* (R&TC) Section 23101 as actively engaging in any transaction for the purposes of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.
3. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

II. Agency Responsibilities

A. Role of Local Planning Councils (LPCs)

Each LPC should:

1. seek legal counsel to determine what safeguards need to be established to protect the public interest;
2. address potential conflict of interest issues;

3. collaborate with all other interested parties in its county in order to conduct *comprehensive* child care staff recruitment and retention planning;
4. each county may develop a plan that identifies the uses of funds from a variety of sources (the Child Care Salary/Retention Incentive Funds, as well as funds from both local and State Children and Families Commissions (First 5) and other funds) to support the retention and recruitment of qualified, Title 5 child care employees throughout that county's early care and education programs (including both subsidized and non-subsidized services).

The *LPCs may submit either type of plan*: a comprehensive county plan that includes a variety of funding sources and initiatives, as long as the plan clearly and separately identifies the required information about the specific funds announced in this bulletin; or a county plan that is limited to the funds announced in this bulletin.

B Use of Funds

1. This funding is to supplement, not supplant existing efforts and investments to retain qualified, Title 5 child care staff at the local level.
2. The contract funds must be allocated to retain qualified, Title 5 child care employees, who work directly with children who receive subsidized care, in state subsidized, center-based programs and family child care and education home networks.
3. One percent of the total funding allocation may be used for planning purposes. This includes any costs related to developing the plan.
4. Contractors may claim no more than 15 percent of actual costs incurred, including the one (1) percent expended on planning, for administration.
5. Contracts will be issued to the legal entity that currently holds the LPC contract with CDE/CDD.
6. Collaboration is encouraged.
7. Memoranda of Understanding, sub-contracts, consortia agreements among multiple counties, and other formal and informal types of collaboration are allowed. In particular, counties that have received small allocations may wish to develop a multi-county regional plan that

will allow them to maximize the impact and/or benefits of their allocations.

8. Each plan must describe the current data about needs and resources available relative to this initiative in their county, including but not limited to data about staff turnover and retention rates, and then must explain how awarded funds will be allocated in accordance with those data.
- C. Each plan must identify and prioritize the types or categories of California *Code of Regulations* Title 5, child care employees who will qualify for participation in this child care staff retention initiative.
- D. Each plan must describe measurable outcomes and how they will be used to assess and document the effectiveness of this funding award in retaining qualified, California *Code of Regulations* Title 5 child care employees.
- E. Staff retention activities funded by these dollars should be selected in such a way that they are not dependent upon ongoing funding.

Each LPC must be able to demonstrate that it has systems in place for assuring both fiscal and program accountability for these funds. This includes a fiscal system that conforms to accounting standards for state contracts, and a program documentation system that is able to demonstrate impact of these funds over time and report the measurable outcomes identified in the plan. If funding awards are made for another year, LPCs will be asked to provide data regarding the effectiveness of their retention efforts.

F. Reimbursement Costs

Reimbursable costs must be incurred during the contract period. Contractors shall not use current year contract funds to pay prior or future year obligations.

Contracts and subcontracts shall be reimbursed for travel and per diem expenses at rates not exceeding those amounts paid to the CDE's represented employees computed in accordance with California Code of Regulations, Title 2, Subchapter 1, State Department of Personnel Administration (DPA).

Nonreimbursable costs will be determined in accordance with the 2009-10 Resource and Referral Funding Terms and Conditions, Section V.F., "Nonreimbursable Costs."

G. Reporting Requirements

Private agencies (including proprietary entities) that receive \$500,000 or more in total federal funds are required to have an Organization Wide Audit (OWA) performed in accordance with OMB Circular A-133 and the "Audit Guide for Audits of Child Development and Nutrition Programs Audit Guide" prepared by CDE's Audits and Investigations Division (AID). Governmental and other public agencies (excluding school districts, county office of education and community college districts) must comply with the requirements of OMB Circular A-133 and the CDE's "Audit Guide." All other agencies (excluding school districts, county offices or education and community colleges) must submit a contractor audit performed in accordance with the CDE's "Audit Guide."

Each LPC must submit yearly a CD-3021 Child Care Retention Program Report, which describes the distribution and uses of the funds in the prior calendar year (January 1, 2009 to December 31, 2009) and the number of individuals or entities who received a stipend or benefit. Graduation stipends will be given to eligible applicants who have completed coursework for B.A., AA, and MA degrees within the application cycle.

Training related to Environmental Rating Scale (ERS) will focus on how to create the environmental and programmatic changes that translate into improved ECERS, ITERS, or FCCERS scores. Training will be offered on developmental screenings and other topics as specific needs are identified and the budget permits.

Entry level teachers and providers will be encouraged to obtain their permits.

Data Collection will involve the information supplied by applicants in their applications and verification forms. Staff will provide limited analysis of this data for informational purposes.

Communication/Collaboration with Los Angeles County Community Colleges and other workforce initiatives will continue. Program staff will participate in the Child Development Discipline meetings held at various colleges. Investing in Early Educators will continue to collaborate with the LAUP stipend program to maximize resources as they apply to the early childhood workforce in the County.

Section II – Current Needs and Resources

The Economic Impact Report and Career Analysis Report highlighted the challenges of identifying a career path within the field of early care and education (ECE). The multiplicity of regulations governing different program sponsors and variable college offerings fueled confusion and frustration. Staff continue to work collaboratively with several groups aimed at addressing these challenges, including:

- The Water Cooler - to develop a career and wage lattice that clearly articulates educational and experiential pathways to career goals related to ECE.
- The Los Angeles Universal Preschool Workforce Initiative - includes 6 pilot collaborations between community and four-year colleges to create a pipeline for new ECE personnel.
- First 5 LA Workforce Component – is intended to reduce barriers and facilitate a career pathway in collaboration with Los Angeles area colleges, the Office of Child Care, and other stakeholders.

Training needs outside of college coursework continue to revolve around meeting the higher standards related to STEP, the use of developmental screening tools, parent engagement, applying ERS results to program improvement activities, and personnel management. We will seek training partners for these topics. In addition, in 2010, staff qualification under the National Association for the Education of Young Children accreditation system bump up. We intend to monitor the impact of this change among local programs.

There are still many caregivers and teachers without child development permits. We will continue to require these as part of the stipend program and provide applicants within information on how to obtain a permit.

Section III – Priorities

First Priority: Teaching staff in CDE-funded centers holding a valid Child Development Permit and working at least 15 hours a week directly with children, and who complete a minimum of three semester units of college coursework will earn stipends.

Second Priority: Family Child Care Providers in Family Child Care Home Education Networks (FCCHEN) funded by CDE, holding a permit during the stipend cycle, who complete a minimum of 3 semester units of college course work, will earn stipends. Network status will be verified by the FCCHEN coordinator.

Third Priority: Licensed Family Child Care Providers and their assistants, and teaching staff in programs serving a majority of children subsidized through a CDE-funded Alternative Payment agencies at the time of application, who are working a minimum of 15 hours each week directly with children, and who complete a minimum of 3 semester units of college course work, and who hold a permit during the stipend cycle. To verify that the participating Family Child Care Home or center is serving a majority of children subsidized by CDE-funded Alternative Payment Agency or agencies, each applicant must attach a copy of the payment invoice or summary, or contracts provided by the Alternative Payment agency that reimburses the home provider/center for the care of subsidized children. These invoices or contracts list the children currently in care and being subsidized through CDE. The director or provider must also provide her current enrollment number so that Los Angeles County AB212 staff can calculate the percentage of subsidized children served at the time the stipend application is submitted.

Stipend amounts will range from \$750 to \$2,000 depending on the number of units completed. Actual stipend awards may be adjusted depending on the availability of funds and the number of applicants. Extra assistance will be provided to teaching staff and family child care providers who have not yet obtained a permit and who may need extra help in connecting with community colleges and selecting appropriate classes.

Fourth Priority: Those graduating with an AA, BA, or MA degree within the stipend cycle will also receive a graduation stipend if the degree is in Child Development or a closely related field.

Fifth Priority: Child development staff in site supervisor, director, or other management positions, as well as providers and teachers will be invited to participate in limited training events related to implementing changes related to environmental rating scale findings.

Section IV – Measurable Outcomes

1. Approximately 2,000 stipends will be paid to child development staff in CDE-funded programs, FCCHE Networks, and to staff and family child care providers in programs and homes serving a majority of children subsidized through a CDE-funded Alternative Payment agency. These child development personnel will have earned at least three units of college credit to advance their educational goals.
2. Approximately 150 graduation stipends will be given to those earning AA, BA or MA degrees in Child Development or closely related fields.
3. Up to 100 child development personnel will receive training.
